

Good Morning Susan, Mr. Miller and Amber,

I am so happy I found you and your beautiful, peaceful sanctuary. This has been a very stressful transition, and all of us have had a difficult time with it. It is reassuring, however, that Leo and Fredo are with you and under your wonderful care through the rest of this move situation.

My email is below to send the pictures. If you want, I can mail you a disposable camera to take pictures of the boys, and I then develop them. It was wonderful meeting you and Mr. Miller. Your resort is not like ANYTHING I have ever seen in my life. I cannot believe you are not booked solid, considering the services offered and the setting. I know it is a field trip to get to Streator, but the drive is not an issue when one learns of the magnificent scenery and amenities that await!

Can you please schedule Isabella (Scottie) and Rudy (Golden Retriever) for arrival July 15th?

Rudy is recovering from ACL surgery (his surgery was 2 weeks ago); will he be OK to run around by July 15th? I am taking him out a little at a time every day, but ALWAYS on a leash, per Dr.'s orders.

Let me know what you think. Thank you again for everything.

Warmest regards,

Julie

PS. Kiss those boys for me on their noses!!!!
